WE ALWAYS FOLLOW THE BEST WAYS OF SHIPPING

Multi-carrier capability makes you flexible and issues fixable.

1.

Register / Login

- Multi-carrier capability makes you flexible and issues fixable.
- Automated shipping rules let you set it and forget it.

2.

Create Labels

- Reduce customer service inquiries during peak season.
- Order tracking and SMS updates increase carrier delivery on the first attempt.

3.

Send it with MyFlexShip

- Parcel protection that includes full cost coverage, including return and reshipping expenses.
- Speedy 1 day claims process that won't slow you or your business down.

WHAT OUR CLIENTS SAY ABOUT US

Myshipflex is one of the best things that has happened to our business. It's dramatically lowered our shipping costs, particularly on large items going across Canada. If you ship products you have no excuse but to install myshipflex. It will save you money instantaneously.
