Compliance

Our compliance team helps you obtain all necessary approvals to expand to global markets.

Tax registration

We will introduce you to our trusted worldwide partners who will assist you with tax registration and filing.

Shipping

We have longstanding relationships with DHL, UPS, and FedEx and secure the steepest shipping discounts for our customers. We cut through the red tape so that you can focus on selling.

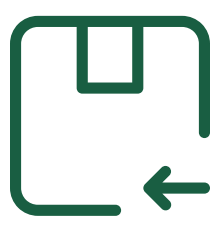

IOR

We provide Importer of Record services so you can grow your e-commerce business to more countries, marketplaces, and beyond.

Border clearance

Our clearance team will monitor your shipment, ensuring it reaches its destination. If a shipment gets held up at customs, we provide the necessary info to your carrier to get your shipment cleared ASAP.

Returns

We offer international return solutions, saving you time, money, and the headache of managing overseas returns.

WHAT OUR CLIENTS SAY ABOUT US

Myshipflex is one of the best things that has happened to our business. It's dramatically lowered our shipping costs, particularly on large items going across Canada. If you ship products you have no excuse but to install myshipflex. It will save you money instantaneously.
